**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner in a rural area who supports broadband competition.

If it wasn't for broadband competition, I would be stuck with only one or two satellite providers with high prices and extremely slow connections. Our household relies on reliable and affordable internet service in order to conduct business and school work.

I refuse to pay for price hikes that will increase the cost of internet and telephone services.

Sincerely,
Deborah Larson
